PATHWAY TO DOCTOR OF MEDICINE DEGREE

PRECLINICAL

MD PROGRAM

WHAT CAN STUDENTS STUDY AT SGU?

Program	Requirements	IELTS score
Preclinical Year 1	Start of 7-Year MD pathway – for students who have completed: IGCSE: B or better in minimum 6 subjects, which include Biology, Chemistry, Math, Physics, and English	IELTS 7.0
Preclinical Year 2	Start of 6-Year MD pathway – for students who have completed: Secondary school diploma: Strong science performance, SABIS High School Further education: AS Levels, Baccalaureate, South Africa Matric, Higher School Exam, Irish Leaving Certificate, and WASSCE	IELTS 7.0
Preclinical Year 3	Start of 5-Year MD pathway – for students who have completed: Advanced Levels: Minimum 3 subjects with A's and B's in Biology, Chemistry and either Math or Physics; Math or Physics can be accepted at AS level with strong non-science third A level Approved foundation programs: SGU recognizes and approves a range of science/medical pathway programs Full IB Diploma: Requires a minimum score of 32 points; 3 HL science subjects recommended; minimum of 2 HL subjects required, which must include Chemistry and Biology; results 5 or higher India 10+2 or CBSE: Minimum of 80% average with no grade below 80% in Biology, Chemistry, Math, Physics, and English New Zealand NCEA: Lvl 3 endorsed with overall E (Excellence), incl. 20 Lvl 3 credits in each Biology and Chemistry, with E in the majority of credits. 20 Lvl 3 credits in either Math or Physics, with at least M (Merit)	IELTS 7.0
4-Year MD Program	Start of 4-Year MD program – for students who have completed: Bachelor's degree in the requisite sciences	IELTS 7.0

Apart from IELTS, the following English Language Tests are also accepted:

TOEFL - 600 (paper-based), 250 (computer-based), or 100 (internet-based);

PassWord-Skills - Scoring is the same as IELTS scoring for direct entry;

C1 Advanced (CEA) - A score of 185 overall is required for direct entry;

PTE- Academic (Pearson) - A score of 65 overall is required for direct entry.

MEDICAL COLLEGE ADMISSION TEST (MCAT) EXEMPTION

International students are exempt from the MCAT admission requirement. Based on the complexities of different curricula from around the world, we do not encourage our non-US and non-Canadian citizens or permanent residents to sit the MCAT. It is a US-centric exam. SGU does recommend international students sit the UCAT to provide additional quantitative information on your academic and science foundation. The UCAT is not mandatory, but is a suggestion.

located on the True Blue
campus in Grenada, dedicated to
the success of our students.

20K+

School of Medicine
Graduates

who have entered
the global healthcare system.³

ACCOMMODATION

Grenada: All entering preclinical, as well as medical students, are required to live on campus for their first year. All dormitories are staffed with Resident Assistants (RAs), who foster a community of mutual respect and cooperation.

UK Housing: Students in the SGU/NU pathway are required to live in University-sponsored housing, Trinity Square Residence, for the first year.

1 Average of 2020, 2021, 2022 residency placement rate. Residency placement rate is defined as the total number of students who obtained a US residency divided by the total number of students who applied to a US residency program in a given year as of May 2022. International graduates are non-US graduates.

2 Average of 2019, 2020, 2021 scores. First-time pass rate is defined as the number of students passing USMLE Step 1 on their first attempt divided by the total number of students taking USMLE Step 1 for the first time. International students are non-US students.

3 Based on the number of students who have completed the Doctor of Medicine program from 1981-2022.
