## 2024 VIEWBOOK

St. Francis Xavier University stands on the lands of Mi'kma'ki, the ancestral and unceded home of the Mi'kmaq people.

# University as it is meant to be

St. Francis Xavier University is a small, primarily undergraduate university located in the beautiful east coast town of Antigonish. With an awesome on-campus living environment, small classes taught by professors who care about your success, and tons of opportunities to apply what you've learned outside the classroom, the StFX experience is truly one-of-a-kind.

This is a place where you will discover what you're passionate about, and gain the knowledge and skills to fuel your future.

# East Coast Living

Nestled in Northeastern Nova Scotia, Antigonish is a charming east coast town with a rich and vibrant cultural heritage. Fondly known as the Highland Heart of Nova Scotia, Antigonish is everything you could want in a university town. It's warm, welcoming, and teeming with youthful energy.

Take a stroll down Main Street and you will find eclectic shops, restaurants and pubs, cafés, art galleries, and plenty of services and amenities, including grocery stores, markets, pharmacies, and more. And if you are looking to explore the great outdoors, stunning beaches, rolling countryside, and coastal trails are all just a short drive away from campus.

# Unique & Innovative Programs at StFX

## First-year colloquiums

First-year experiences for Bachelor of Arts students

### Humanities Colloquium

What makes humans, human? In this interdisciplinary first-year option, students study Philosophy, English and History, taught collaboratively as if they were a single course. There is also an option to live in a HC residence community. [stfx.ca/humanities](http://stfx.ca/humanities)

### Social Justice Colloquium

This first-year option allows students to take dedicated classes in Anthropology, Global History, and Women and Gender Studies that explore how social change movements have influenced our society. Classroom work is enriched with local service projects. There is also an option to live in a SJC residence community. [stfx.ca/social-justice](http://stfx.ca/social-justice)

## Interdisciplinary Arts & Science degrees

### Bachelor of Arts and Science in Climate and Environment

The force of climate change requires a global response that addresses both scientific realities and contributing social factors. This degree examines the physical, biological and chemical composition of our world, our societal relationship with nature, and how the Earth's energy balance affects our environment. [stfx.ca/clen](http://stfx.ca/clen)

### Bachelor of Arts and Science in Health

An interdisciplinary approach to health studies, which draws on scientific, social and humanistic fields. Students who study health from a joint arts and science perspective will graduate with a balanced understanding of the interrelated nature of health, including medical, social, ethical and cultural factors. [stfx.ca/health](http://stfx.ca/health)

## Multiple credential Business programs

### Entrepreneurship and Human Nutrition

This interdisciplinary, five-year program combines the study and practice of entrepreneurship with the study of food and nutrition science, safety, and development. Students graduate with both a BBA and a Bachelor of Science. [business.stfx.ca/bba-bsc](http://business.stfx.ca/bba-bsc)

### Business Intelligence and Analytics

Bringing together the strengths of two leading business institutions—StFX and Nova Scotia Community College (NSCC)— this multiple credential program is designed for students who want to accelerate their education in the innovative and rapidly growing field of Business Intelligence and Analytics. Students graduate with both a BBA and a Graduate Certificate in just four years. [business.stfx.ca/bba-bi](http://business.stfx.ca/bba-bi)

# Experiential Learning

As the first university in Canada to introduce Service Learning for undergraduate students, StFX has a long tradition of integrating community service, professional training, and social responsibility into our academic programs. The result? Our students graduate with a wealth of experience beyond the classroom, making them more competitive for graduate programs and future job opportunities.

## Co-operative Education

Discover your skills, interests, and goals and earn a competitive salary while living and travelling in locations across Canada, the United States, or abroad—all before you graduate. [stfx.ca/coop](https://stfx.ca/coop)

### Co-ops are available in the following undergraduate programs:

- Bachelor of Business Administration (All majors)
- Bachelor of Science: (Biology, Computer Science, and Math)
- Bachelor of Science: (Human Nutrition, Earth Sciences, and Economics)
- Bachelor of Arts: (Computer Science, Economics, and Math)
- Bachelor of Arts and Science in Health
- Bachelor of Arts and Science in Climate & Environment

## Service Learning

A learning opportunity that builds on StFX's tradition of social responsibility, Service Learning gives students the opportunity to perform hands-on community service—internationally, locally, or on-campus— during their academic study.

[stfx.ca/servicelearning](https://stfx.ca/servicelearning)

## Study abroad

Study at one of our partner universities overseas as part of your undergraduate degree. Students who participate in exchanges develop valuable skillsets that both expand their career opportunities and engender a deeper understanding of what it means to be a global citizen.

[stfx.ca/studyabroad](https://stfx.ca/studyabroad)

# StFX Develops Leaders

StFX graduates have become prime ministers, premiers, members of parliament, Supreme Court justices, CEOs of global corporations, and celebrated community change agents.

No matter what kind of leader you want to be, we will provide you with the tools to help get you there.

StFX is the proud home of three celebrated, renowned leadership institutes. As a student, you will take classes and learn alongside the talented faculty at the heart of these centres for leadership excellence.

[mckenna.stfx.ca](http://mckenna.stfx.ca)

## Frank McKenna Centre for Leadership

**Equips aspiring leaders like you with the skills you need to make a difference.**

- Engage in community-focused projects and yearly summits like the Annual StFX Shoreline Cleanup
- Learn from guest lecturers and annual scholars-in-residence
- Participate in — and even deliver — a Friel X-Talk, a Ted-X style discussion created to champion and celebrate student leadership, activism, and advocacy
- Further your education through the McKenna Fellows program, a one-year work placement in a government, private sector, or civil society organization
- Pursue grant and bursary-funded research and leadership initiatives of your choice

Previous McKenna Centre scholars-in-residence have included celebrated author Lawrence Hill and renowned environmentalist David Suzuki.

[mulroneyinstitute.ca](http://mulroneyinstitute.ca)

## Brian Mulroney Institute of Government

**Canada's only undergraduate public policy and governance institute.**

- Learn the ins-and-outs of public policy and discover how transformative leadership can create sustainable global change
- Gain practical research experience through dedicated internship awards and faculty research assistance
- Help fund your studies with exclusive scholarships and bursaries available through the Institute's Public Policy and Governance program
- Learn from a growing team of faculty who hold dedicated research chair positions and bring significant expertise on pressing public policy issues
- Be inspired by the beauty of Mulroney Hall, a one-of-a-kind facility featuring a replica of Prime Minister Brian Mulroney's office during his tenure as Prime Minister (1984–93), the spacious Barrick Auditorium, and the Joyce Family Atrium—a favourite gathering place for students with open spaces, vaulted ceilings, and scenic campus views

[coady.stfx.ca](http://coady.stfx.ca)

## Coady Institute

**A world-renowned institute educating leaders in sustainable and community development from around the world.**

- Take courses cross-listed with Coady Institute faculty and explore subjects ranging from climate change and community resilience to feminist leadership for justice—and more
- Apply to the Pathy Foundation Fellowship, a funded program where you will partner with a community organization on a project of your choosing that creates sustainable, positive social change
- Participate in research internships related to topics such as employment innovation, youth engagement, and building resilient communities

# Home Away from Home

Residence life is a big part of StFX's legendary sense of community. You will be steps away from your classes, and all campus facilities, supports, and activities. You can also walk to the grocery store, coffee shop, pharmacy, and all the many shops and services of downtown Antigonish. If you want to live at the centre of it all, there's no better spot for you than residence.

### Varsity Athletics

StFX has 10 varsity athletic teams participating in Atlantic University Sport (AUS) competitions in the sports of football, women's rugby, soccer, cross country, hockey, and basketball.

## Arts & Culture

If you're interested in arts, you will find lots of opportunities to get involved at the Xaverian Weekly (StFX's student newspaper), CFXU The Fox (StFX's campus radio station), the StFX Art Gallery, or Theatre Antigonish.

## Clubs & Societies

Entrepreneurship. Community Involvement. Sports. Music. Arts and Culture. With 100+ campus clubs and societies, we have something for everyone. And if you don't find what you're looking for, you can even launch your own.

\* Access to the StFX fitness centre, pool, and most recreation activities is included in tuition and fees for all students taking at least 18 credits over the school year.

# Admissions to StFX

Applying is quick and easy, and we encourage you to do so as soon as you are ready.

**Step 1** Complete your application online at [stfx.ca/apply](https://stfx.ca/apply).

**Step 2** Submit your transcripts.

## Students from High School in Nova Scotia

Provide your Nova Scotia Provincial Student Number (PSN) at the time of application for StFX to access your transcript through *My Transcripts*.

## Other Canadian, International, and all Transfer Applicants

You will need to request your transcript be submitted to StFX officially by your secondary school or post-secondary institution by email (PDF format) to [admissions@stfx.ca](mailto:admissions@stfx.ca) or by mail to the Registrar's Office:

Registrar's Office—Admissions  
2329 Notre Dame Avenue  
Antigonish, Nova Scotia B2G 2W5

## Questions?

Contact Admissions by phone at 1.877.867.7839 or by email at [futurestudent@stfx.ca](mailto:futurestudent@stfx.ca).

For admissions information for students with disabilities, please contact the Tramble Centre for Accessible Learning at 902.867.5349 or email [tramble@stfx.ca](mailto:tramble@stfx.ca).

# General Admission Requirements

For high school students, the minimum requirements include an overall average of 70% in Grade 12, with no grade below 65% in each of the required subjects. Admissions to limited enrolment programs is competitive, meeting the minimum average does not guarantee admission.

All applicant types are welcome to apply. Applicants who have studied at the College or University level must submit all transcripts for evaluation. The University may grant transfer credits to a student who has attended another accredited college or university. Applicants who have not met the normal admission requirements may be considered.

## Out of Province Applicants

If you are a high school student applying from outside of Nova Scotia, please see [stfx.ca/highschool](https://stfx.ca/highschool) for required equivalent courses for admission.

## Early Acceptance

Decisions on applications will be made when a transcript has been received. Admission consideration will be given with Grade 11 courses that satisfy the admission requirements of the program applied to. When Grade 12 grades are received for an applicant who did not receive early acceptance, they will be re-considered for admission.

## International Baccalaureate

Students who complete the International Baccalaureate (IB) Diploma with a minimum score of 24 will be considered for admission. Students can submit predicted results for admission and scholarship purposes, the minimum grade requirement for any subject is 3. Students who achieve a score of 30 or higher on the IB Diploma, with a score of 5 on all higher level and standard level courses, will be granted up to 30 transfer credits.

## Advanced Placement

The Advanced Placement (AP) program is accepted for admission on the same basis as Grade 12 academic criteria. Students who have completed courses in the AP program may be granted transfer credit for individual courses when a grade of 3 or higher has been achieved.

## Bachelor of Science in Nursing

Additional admission requirements and application dates for the Nursing program are posted at [stfx.ca/nursingadmission](https://stfx.ca/nursingadmission). Successful completion of CASPer is mandatory in order to be eligible for admission to the program.

# Scholarships

To be considered for a StFX Major Scholarship, you must submit a complete admissions application and your first semester grade twelve transcript, along with an application form and reference documents, by March 1. You must also meet all criteria for any scholarship with additional application requirements. For complete terms and conditions, and to see specific criteria for individual scholarships, visit [stfx.ca/scholarships](https://stfx.ca/scholarships).

StFX offers over \$5 million in merit-based scholarships and financial aid each year. We are proud to offer scholarships applicable to all students, as well as awards specific to students from particular regions or studying in particular programs. Visit our website for full details.

## StFX National Entrance Scholarship Program

Entrance Scholarships are awarded based on a student's excellent academic achievement. Students with an average of at least 85% are considered for an award, which in previous years have ranged from \$5,000-\$12,000 (payable over four years.)

To learn more about our scholarships or to apply, visit [stfx.ca/scholarships](https://stfx.ca/scholarships).

## StFX Major Scholarships

Major scholarships include additional selection criteria or may be specific to students from particular regions. They range from one-time awards to renewable scholarships worth up to \$32,000 (payable over four years.)

## Gerald Schwartz School of Business Scholarships

Students at StFX's Gerald Schwartz School of Business will be eligible for scholarships worth up to \$80,000 (payable over four years)—enough to cover tuition, books, residence, and meal costs for a typical four-year degree. A number of scholarships at various ranges are available.

## Mulroney Institute of Government Scholarships

The Mulroney Institute of Government offers students in its Public Policy and Governance (PGOV) Program scholarships worth up to \$60,000 (payable over four years.) It also offers paid research and employment internships, and awards to support StFX PGOV students pursuing an international exchange.
